

Primary Care and Wellness Clinic of Arlington, PLLC

AFFORDABLE. RELIABLE. COMPASSIONATE

Direct Primary Care for your employees

About Us

We are a new Primary Care and Wellness Clinic offering small businesses Direct Primary Care services for themselves and their employees.

What is Direct Primary Care?

Direct Primary Care is an innovative alternative payment model improving access to high functioning healthcare with a simple, flat, affordable rate membership fee.

Benefits of Direct Primary Care

- Improved employee health
- Considerably cheaper than traditional insurance
- Greater employee retention
- Coverage available for families as well
- Unlimited office visits included in one low monthly fee
- No co-pays, no pre-authorization, no insurance headaches!

Flat rate pricing

- 1 \$150 annual employee fee (for all participants over 18)
- 2 \$75 dollars monthly per employee
- 3 \$50 monthly additional to add spouse or child over 18
- 4 \$30 monthly additional to add children under age 18 years
- 5 Includes one set of annual labwork
- 6 Additional labs/services can be added for an additional fee if needed
